SUMIT HALGE

BACKEND DEVELOPER

Karve nagar , pune | sumithalge57@gmail.com | +917719902074 | www.sumithalge.work

I am a passionate backend developer skilled in Java, Spring Boot, REST APIs, and database management. With a strong foundation in building scalable and efficient applications, I enjoy solving complex problems and optimizing system performance.

AREA OF EXPERTISE

Core Java	Html	Postgre SQL
spring boot	css	My SQL

KEY ACHIEVEMENTS

- **Developed scalable Backend System**. Built and optimized RESTful APIs using Spring Boot, reducing response time by 30%.
- **OPTIMIZED DATABASE PERFORMANCE -**BUILT AND OPTIMIZED RESTFUL APIS USING SPRING BOOT, REDUCING RESPONSE TIME BY 30%.

PROFESSIONAL EXPERIENCE

PAARSH INFOTECH   Jan 2025 - Present

- I developed a responsive and dynamic personal portfolio website to showcase my skills, projects, and achievements as a backend developer. Built using HTML, CSS, and JavaScript, with optional integration of React for a more interactive experience, the website provides an elegant and user-friendly interface. It features a project gallery with live demos and GitHub links, a skills section, and an about me page to highlight my expertise in Java, Spring Boot, and backend technologies

Projects

Personal portfolio website
I developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase my skills, projects, and achievements. , an about me section, and a contact form for easy communication. It is optimized for performance and responsiveness and is hosted on Hostinger and GitHub with the custom domain www.sumithalge.work

EDUCATION

Maharashtra institute of technology   June 2023 - June 2025

Developed an Android application designed to help users manage and track their medication schedule. The app sends timely reminders for medicine intake, allowing users to set personalized alarms for different medications work

Bachelor of Biotechnology   May 2018 - June 2019

I hold a Bachelor of Biotechnology from BAMU (Dr. Babasaheb Ambedkar Marathwada University), where I developed a solid understanding of genetics, microbiology, and biochemistry.
